1. All the Foldscope coordinators are requested to register themselves using unique 12 digit code given with each foldscope at <http://microcosmos.foldscope.com/>. This would work as a single platform to contribute ideas, progress, problems and teach others. A message should also be posted on the website using hash tag: #Indiafoldscopephase1.
2. All the progress reports and pictures, videos, etc coming out of use of Foldscopes should mandatorily be posted on <http://microcosmos.foldscope.com/>. Each and every Foldscope should be registered under this portal along with pictures, videos etc. to be eligible for balance 2nd grant from DBT.
3. All the coordinators are requested to twin their projects with North Eastern partner institutions and vice versa. The NE partner may be chosen on their own or special request can be made to the team foldscope: foldscope.dbt@nic.in
4. Amount sanctioned under Consumable head can also be used for purchase of some perishable items such as smart phones, cheap tablets, etc. with information to DBT through the team Foldscope email: foldscope.dbt@nic.in

6. Contingency grant can be utilized for any kind of expenditure required for the use of Foldscope.
7. You are authorised to re-appropriate funds under heads up to the limit of maximum Rs. 1.00 lakhs and the same should be mentioned in the statement of expenditure at the time of submission.
8. The starting date of the project is as per the date of transfer of funds. However, we may give you a grace period of one month considering time taken in administrative procedures at our end.
