Name of activity: Superstition eradication campaign and Women empowerment, save girl campaign

Date Conducted: 29-08-2018

Participant Count: (faculty-03 and students-32)

Brief Description: A superstition is an irrational belief which originates from ignorance or fear. We usually associate superstitions with religions which are based on fear of the unknown and man's attempts to appease supernatural powers. The only remedy of these superstitious blind beliefs is education and social awareness. The children also should be taught about science and reason. Finally only parents should guide them properly and they also should not encourage any kinds of blind belief and superstitious practices at home. To enlighten on such issues a social activist and his team demonstrated and explained various facts about faith and superstitious to our students.

To keep away from various addictions which are harmful to health, NSS volunteers have performed street play and awareness campaign to enlighten Savele Villagers. female feticide is serious issue in India which needs to be addressed for a better future of country, hence volunteers had performed one act play on this issue to spread the awareness. Having women self-reliant and empowered is need of hour
