INTUITIONAL DISTINCTIVENESS ACTIVITY 2019-2020

KG Sanjeevani's patient counselling activity was conducted on 10/08/2019 concurrently at seven different locations belonging to various parts Thane and Raigad districts. Patient counselling locations are namely, Kalyan, Badlapur, Thane, Karjat, Pen, Panvel and Khopoli. Total number of students participated in this activity were 88 and number of Medical Shops in which students have confront the patients are near about 24 in number. Whereas number of patients got benefited with this activity are 394 across all the locations.

Patient counselling activity for the current year was organised and executed under the leadership of Dr. Mohan Kale, Principal of Konkan Gyanpeeth Rahul Dharkar College of Pharmacy and Research Institute, Karjat. Pharmacy and Research Institute, Karjat. All the planning and execution of this activity was conducted under the guidance of in charge of the activity. This activity is very well supported by teachers as well as selected non-teaching staff. Firstly, various topics on which the students will go to give the counselling is wisely screened and selected. After the selection of various important health care topics such as diabetes, Hypertension, obesity, hypo or hyper thyroidism etc.

Students has been told to collect relevant information and also told to make presentations of same. By conducting Patient Counselling activity at various locations, Students got encouraged to conduct various activities in combine together. This activity helped the student to develop leadership qualities, enhancing counselling skills. Students also came to know how to plan and execute such kind of activities in well-coordinated manner etc. Through this activity patient got correct, advanced and updated information about various topic in medical field. Participated students have been encouraged by awarding certificates to them. Thus, such kind of activities proved helpful in overall community development.
