A Report on

Two Week Online AICTE Sponsored Faculty Development Programme - Phase - I Title-Importance of Innovation and Research culture to inculcate start up and entrepreneurship -I

15 March 2021 to 25 March 2021

Konkan Gyanpeeth Rahul Dharkar college of Pharmacy and Research Institute Karjat organized 114th online two weeks AICTE sponsored Faculty Development Programme Phase-I on “Importance on innovations and Research culture to inculcate startup and entrepreneurship”. This was the Third online FDP organized by the college in this pandemic period dated on 15 March 2021 to 25 March 2021. This programme was designed to train and develop faculties in entrepreneurship development so that these can act as resource persons in guiding and motivating young minds to take up entrepreneurship as career which is need of an hour. KGRDCP & RI received overwhelming response from faculties not only from India but also from abroad with more than 1000 registrations for this e-FDP.

Dr. Mohan kale, Principal of KGRDCP & RI, welcomed all the guests, faculty delegates for this FDP and briefed about the objectives, expected outcomes of programme and thanked AICTE. This FDP was inaugurated by honourable and father of chemist and druggist, Mr. Jagannath Shinde, Chairman and Managing Director of AIOCD LTD., Chairman MSCDA Ltd. Mumbai. He also inaugurated “covid-19 special bulletin” and “ACS Academy, Nagpur” and greeted everyone on the occasion of inaugural session, Mr. Vijay Patil, President of Maharashtra state council, Mulund, Mumbai inaugurated “E-bulletin” and also talked to faculties about raising the standards of education in this pandemic period. Dr. MD Sallahuddin, Professor and Principal of Farooqia college of Pharmacy, Mysore delivered key note address on topic “Importance on innovations and Research culture to inculcate startup and entrepreneurship”. The session was of full of Knowledge and information which included innovation and its culture for implementation, pillars of innovation, culture for research, different ways to promote research culture and START Ups the need of hour. He also gave example of young entrepreneurs in India who are successful today in business.

WHAT IS ENTREPRENEURSHIP?

Entrepreneurship is a complex term that's often
misused, simply, it means your own business.
But there's a difference between a "business owner"
and an "entrepreneur" and attitudes can be
built, what distinguishes entrepreneurship is a
personal attitude.
