3. Hospital visit started at 10:30 AM
4. At 10:30 students were taken to Yoga hall for CPR training.
5. At 12:00 PM CPR training was completed.
6. After CPR Training Students were divided in 2 groups
7. After lunch Hospital visit was started
8. Students were shown and explained in detail of the various departments like IPD, OPD, ICU, Panchkarma center, Pathology Lab, Pharmacy.
9. During Hospital visit all government guidelines regarding COVID-19 were strictly followed.
10. Hospital visit was completed by 04:30 PM after we headed toward Karjat station and reached at the Karjat station 05:30 PM. From where all students and faculty dispersed to their respective residence.
11. The confirmation of reaching home safely was taken.
12. Feedback were collected afterwards.
13. Feedback were collected afterwards.

### SUMMERY EXPERIENCE:

1. It was a good experience, which has provided exposure to the B. Pharm. students with CPR training and critical cardiac care. The students are benefited in terms of the technical details and CPR training provided by the **Dr. Tripathi**.
2. All the students and all the faculty members have enjoyed the technical endeavor at this organizations a lot. The hospital persons also appreciated our students and also encouraged to ask more questions.
3. Students interacted with trainers about the problems that they encounter in their routine practice and discussed the solutions on those problems.
4. Visit seems to be very informative and gives very good learning experience. Students were well mannered and disciplined throughout the tour.
5. During Hospital visit all government guidelines regarding COVID-19 were strictly followed.

## STUDENT'S FEEDBACK

Hospital visit to **Madhavbaug Hospital**, Khopoli was organized for Third Year B. Pharmacy Students. The guiding faculties on site were very supportive to all students. We all get benefited and bring a positive change in our thinking and practical behavior regarding Education. We could able to see how diagnosis and treatment is given to the critical heart patients and how the Ayurvedic procedures are helpful for healing and treating the critically ill heart patients. We, the Students of Third Year B. Pharmacy are extremely thankful to Dr. Mohan Kale (Principal), Mr. Ajay Kharche (Asst. Prof.), Ms. Nilofar Khan (Asst. Prof.) and all teachers for providing a Full- fledged support in all aspects during the entire visit.
